-- Next Meeting --

Thursday, March 10, 1988

7:30 PM

West Auditorium

"Western Mine Lighting Antiques"

Henry Pohs

Henry Pohs, the noted author and expert on early underground mine lamps and antiques, will be the featured speaker at our March meeting. He is a most interesting speaker and has a fascinating collection of early miners' canlestick and carbide lamps. All of you who enjoy mining history will be sure to learn a lot and have a good time at this meeting.

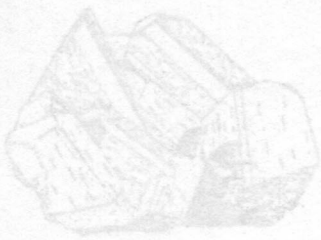

In addition, Barbara Muntyan will give a brief overview of the Tucson gem and mineral show and "goings on." By now, this has become an annual event at our March meeting.

May Meeting: Auction

Just a preview reminder. The May meeting of FMCC will be our annual fund-raising auction. Start thinking early about what you can bring as interesting mineral specimens, books, maps, antiques, or related items. Remember, the donations are either 100% or 50% and are designed to raise money for FMCC projects. Only FM members may bring specimens, but everyone is welcome to come and buy and spend money for a worthwhile cause.

Reminder: Dues are Due

This is a last reminder that dues for 1988 are now payable. If you have not paid up by the March meeting, your name will be dropped from the FM roster. Chauncey Walden will be happy to take your money.

PRECIOUS METALS SYMPOSIUM

August 12-15, 1988

Work is continuing on the plans for our second symposium, to be held at the Green Center of the Colorado School of Mines over the four-day weekend of August 12-15, 1988. Two days of talks, a banquet, and two days of field trips are planned. If you can volunteer some of your time and talent, we are in need of extra help for planning this major project. Only a handful of people really did the majority of the work for our first Symposium and it nearly did some of them in. We need to spread out the responsibilities and the effort more evenly this time. Please come forward and let Jim Hurlbut or Pete Modreski know of your interest as soon as possible.

SOME FUTURE SHOWS

- March 11-12-13 Sheraton Tech Center
- March 25-26-27 Ft. Collins Club
- September 16-17-18 Denver Council Show
