

# FM friends of mineralogy colorado chapter

Sept 1, 1988

The next meeting of the Denver Chapter of FM will be held at the Denver Museum of Natural History in the West Auditorium.

Date: September 8, 1988  
Time: 7:30 PM  
Place: DMNH West Auditorium  
Program: Diversified

- 1) A presentation of the results of the Precious Metal Symposium.
- 2) A report of the new Museum policy changes and how it will effect the Denver Chapter of Friends of Mineralogy. This item can have a lot of impact on the Chapter. This topic could produce some lively conversations.

3) A status report of the update.

4) A mystery program.

Hope to see you there.

Sincerely,

Jim Hurlbut  
President
