

FM friends of mineralogy colorado chapter

APRIL 24, 1989

NOTICE - CHANGE IN MEETING LOCATION!

THE FM AUCTION MEETING THURSDAY, MAY 11TH, WILL BE HELD IN THE ATRIUM AT THE DENVER MUSEUM OF NATURAL HISTORY AT 7:30 P.M.. SET UP BEGINS AT 6:30 P.M..

Please enter the employee's entrance on the north side of the building.

Refreshments will be served by the Museum's snack bar on a cash basis. Remember you will not have to rush your dinner as it can be purchased at the auction. Beer and wine, as well as, soft drinks will also be available. Let's support the museum services.

Our May meeting will be our annual fund raising auctions, both silent and vocal. The update project is our major continuing project. As in the past any minerals or related items, such as books, mining antiques, maps, are suitable.

The basic rules of the auction are: You may designate either a 100% or 50% donation to the Colorado Chapter of Friends of Mineralogy. The Board will select a number of the more interesting items for the vocal auction. The vocal auction will begin around 8:00. When that is over you will have some additional time to check your silent bids before bidding is closed.

A sheet of 3 auction slips is enclosed. Copy it if you need more to save time upon arrival. More sheets will be available at the meeting.

Bring lots of items and friends with money.

There will be two checkout stations. One for checks which will be the faster line and one for cash which is usually slower because of change making and receipt writing.

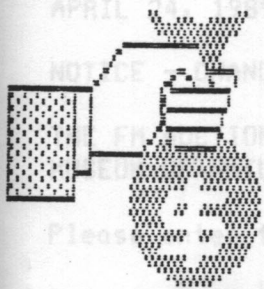

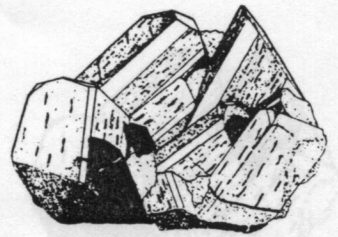

At our last meeting we had a very good presentation covering the work of the Mined Land Reclamation Division. We have copies of the proposed work for 1989, will have it at the meeting for inspection.

gcb

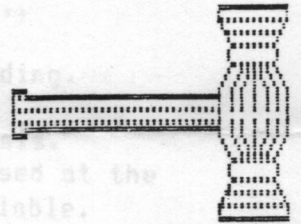

Our May Board meeting will be held at the Museum in the Geology Dept. Office at 6:30 P.M. Members are welcome.

Please make checks payable to Friends of Mineralogy, Colorado Chapter.

Accompanying registrants will not receive a copy of the publication. For information contact: Jim Harbut (303) 733-7796 or 737-9489, Jack...
