

FRIENDS OF MINERALOGY, COLORADO CHAPTER  
NEWSLETTER  
August, 1979

Vol. 2, No. 3

*Jack*  
by Jack Murphy

NOTES: The November-December issue of the Mineralogical Record has occupied all the available time of many Chapter members in the past three months, especially Gene Foord, Joe Taggart, Chuck Baldwin, Ed Eckel, Bob Cobban, Barbara Muntyan, Don Belsher, Shorty Withers and others. Work on this issue has taken precedent over summer meetings and field trips. Others such as Carolyn Jones, Roger Bennett and Steve Brighton have worked on separate FMCC matters. Most people are hoping things will slow down for the last quarter of the year.
