BOARD

The Board will meet at 6:30 p.m. in the Department of Geology office.

PROGRAM

"YEAR OF THE VOLCANO: MOUNT ST. HELENS"  
by Rocky Crandell and the staff of USGS  
Volcanic Hazard Project

*C. Dan Miller,  
Research Geologist*

This is an Open Meeting -- invite interested friends to attend with you.

AFTER THE PROGRAM

SNEAK PREVIEW OF THE NEW MINERAL HALL ...

Interested members are invited to tour the new Coors Mineral Hall. It will be an excellent chance to observe the development of the Hall's themes and exhibits under construction. The Coors Mineral Hall will have its formal opening on December 6 -- DMNH's 80th birthday. Make plans to attend this fun-filled day and join us for the Dinosaur Birthday Cake!
